COLLECTIVE GIVING FOR IMPACT: PORTLAND & SW WASHINGTON

We believe in the power of collective giving to create transformative change in our community.

We make large grants to local non-profits while learning together about community issues and philanthropy.

We've awarded over \$3 million over the past seven years, while building a robust, diverse community. [impact partners](#)

Join to make a difference by connecting, learning, and giving together because we can do much more collectively than alone. [membership FAQ](#)
